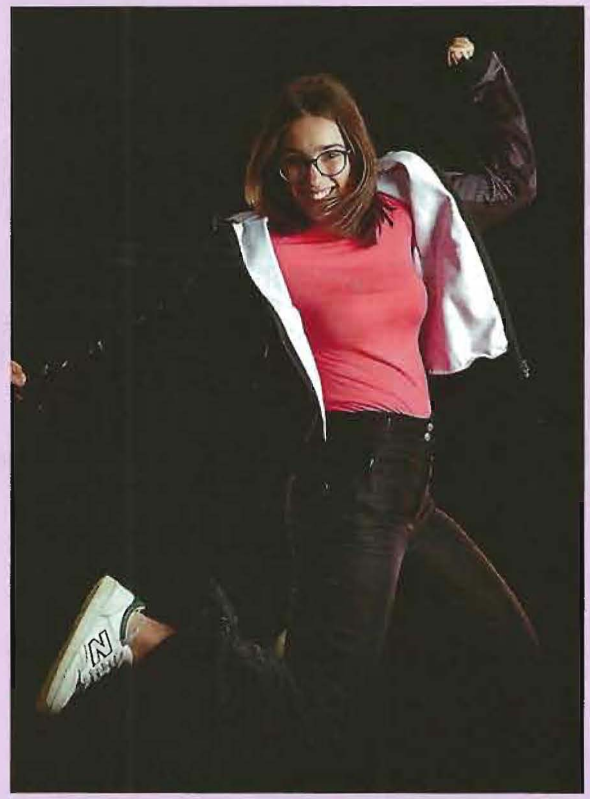
MILL RIVER
UNION
HIGH SCHOOL

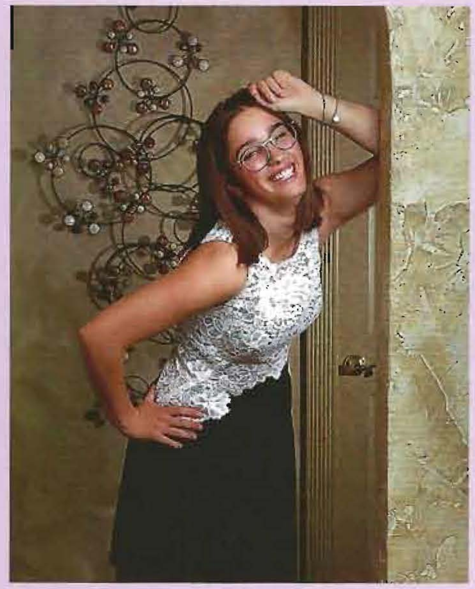
Dedication

The 2025 Spirit staff dedicates this yearbook to Ms. Joli Hill. Ms. Hill has worked at Mill River for nine years, and she has worked in the district for 24 years. This yearbook is getting dedicated to her because she has put so much into Mill River. She has helped so many students get through classes. She is so nice, and has so much energy when you talk to her. She always has a smile on her face, and will make you happy. The biggest thing she enjoys about working at Mill River is the students. She loves helping them and allowing them to understand the material they are learning.

Gaia Pezzetta is from Udine, Italy. She has had such an amazing time in America. this year, trying new things and learning the craziest stuff.

Something she found really surprising is that America does three school dances. she was also surprised the things in America aren't expensive. She is really excited to go to NYC and Boston. She said that Italian food is so much better than food in America. She found out that America has hot dogs and Italy doesn't





Gaia stated that she will miss Kolton Fitz-Gerald and all the fun activities that she has done in America.
